Dear Valued Patient,

I am pleased to inform you I have recently merged my practice with Dr. Bruce Smoler. We are now known as **Smoler Smiles**. This change will bring you many exciting improvements and services.

- We now have two locations
- **Smoler Smiles** of Rochester
- **Smoler Smiles** of Westland
- Wider variety of Dental services
- Extended office hours
- Affordable cost
- Same friendly faces
- Exceptional care

Be assured we will work closely with our patients to make the integration process over the next several months as smooth as possible. Of course, in the meantime our patients will continue to receive the same high quality care and service, which they have come to expect. Your satisfaction is always our guarantee. In addition to myself, our patients will now have the pleasure of working with Dr. Bruce Smoler and Dr. Jacqueline Zoma.

Dr. Bruce Smoler is a second generation dentist, with an extensive background in all phases of dentistry. His father, Dr. Eugene Smoler, originally opened his practice located at 820 N Wayne Road, Westland MI back in 1963. Since 1987, Dr. Bruce has been helping patients achieve their desired results with complex full mouth reconstruction involving implants, cosmetics and I.V. sedation. He presently lectures throughout the country, training dentists in implant dentistry and practice management.

Dr. Jacqueline Zoma provides all phases of General Dentistry. She earned her D.D.S. degree from the University of Detroit Mercy school of Dentistry. Her specialty areas of interest are cosmetic dentistry, family dentistry, crowns and bridges. She has a passion for helping all her patients stay healthy.

If you have any questions, please contact any of us at any time. I look forward to continuing our relationship, and am excited to introduce you to the rest of the Smoler Smiles team.

Sincerely,

Albert J Wesley, D.D.S.
